Friday Night Bridge Club

Our Friday Night dinners are becoming a popular success, thanks in large part to the EAC Bridge Club. Dr. Herb Martin, the former Bridge Club Chairman, has been tireless in organizing and recruiting for the Friday night matches.

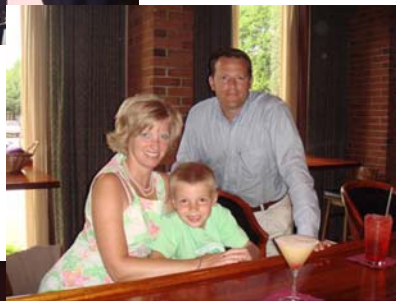

Although the Bridge Club meets every second Friday night, the Club is open for dinner every Friday. Stop by to enjoy our traditional gourmet menu as well as a casual "pub" menu.

Contact the new Bridge Chair, Lydia Lynch, for more information on the Bridge Club, or Bob Sophia to make a reservation for a Friday night meal.

Message from the President

The Board will be making some final decisions regarding the Club's future and we plan to report to the membership in late August.

Our new manager, Bob Sophia, is performing beyond our expectations. Our wait staff and bar staff are grateful for Bob's leadership.

We know we have had problems in the past with getting the meals out in a timely fashion. If you are one of the members who experienced that problem, please accept our apologies, and please give us another try. We've worked on this problem with Bob Sophia and we are confident we can provide you with the dining experience you expect and deserve.

Please feel free to contact me if you have any questions or concerns.

EAC CLUB HISTORY

The revised History of Ethan Allen Engine Company No. 4 is hot off the presses. The history has been updated through last winter and is an excellent recounting of our Club's origins and history.

If you contributed to the publication, then your copy is free of charge. You may purchase a copy for \$7.00. See our Manager, Bob Sophia.

Many thanks to Joe Heald for putting together this entire publication.
