Nominations Sought
Fourteenth Annual
Ethan Allen Club Scholarship

We are now in the fourteenth year of the Ethan Allen Club Scholarship awards. This program has been successful well beyond our original expectations. The enthusiasm and support that we have received from the athletic directors, coaches, teachers, advisors, and parents from the high schools in Chittenden County has been outstanding. We thank you for this support.

*Please use **only** the enclosed application forms as they give us a uniform standard by which to measure both the academic and athletic achievements of the student, and be sure to include all data. An application checklist and a recommended format for processing nominations are included in the packet.*

An awards dinner is scheduled for June of 2006 at the Ethan Allen Club. Details will follow closer to the date. We have worked to make this ceremony the highlight of the year for the athletes, their parents, coaches, and athletic directors. All nominees are recognized for their achievements culminating in the announcement of the male and female Athlete of the Year. We look forward to your participation in the evening's festivities.

Your personal commitment to the success of this effort is very much appreciated by the entire Committee.
